: We Do The Nosing' Before Your Closing! :

Price List Effective August 01, 2009

Indoor Air Quality (IAQ) Testing Services:

\$275.00 Base Price: This satisfies most testing requirements and includes up to three (3) samples, (1-Outdoor sample + 1-On each living level / floor of the home.) Overnight FedEx to the Lab and a 24 Hr. Lab turnaround time is also included.

Please be advised, if the Lab receives the samples on Friday, the results will not be available until the following Monday.

\$40.00 Each Additional Sample: This applies when the home has more than two levels / floors, has a basement or is a Romeoville property with a crawl space.

Note: Whenever mold is visible in the home, a culture swab of that mold is recommended and should be sent along with the IAQ samples as a matter of good practice. A culture swab has the same cost as an additional air sample.

Please call 630-241-2897 if you have any questions.

Sincerely:

Skip M. Plonka
